

The Golden Rules

(How To Be Respectful Towards Your Co-Workers)

1. Please refrain from using excessive amounts of toilet paper to avoid blocking the drains.
2. All sanitary items including wrappers, are to be placed in the Fresh & Clean sanitary units provided. Sanitary products and their paper/plastic wrappings are NOT to be flushed down the toilet.
3. Please check if you have flushed the toilet properly.
4. If you leave a mess in the bowl, please use the toilet brush and liquid cleaner to remove it.
5. Please wipe down the seat after to avoid drips, dribbles and stray hairs.

Thank you for your cooperation in ensuring these **Golden Rules** are followed at all times.
